**STAY-AT-HOME SUBSIDY**

- We accept Stay-At-Home Parents Support Subsidy. Eligible families (with a parent who stays at home or works) may receive \$1200 per year for each pre-school-aged child attending a licensed preschool. It is your responsibility to maintain your subsidy.
- You are still required to pay the full monthly payment.
- If approved for a Stay-At-Home Subsidy, you will receive a letter from the Government of Alberta Children and Youth Services indicating the subsidy start and end dates and the amount we will receive on your behalf. At the end of each month, we will submit your child's attendance hours and monthly fee on your behalf. Subsidy will then process the claim and send a statement back to us with the amount they will pay. This amount is applied to your account and a cheque will be issued to you for the amount paid that month. Processing time is one to two months.
